TANK!

STAFF ADMINISTRATIVE COURSE

- 1. Designed to indoctrinate and train senior administrative officers, station chiefs, and other staff officers who have broad administrative responsibilities and who require familiarization with the administrative organization, functions, facilities, and procedures of CIA, OSO, and OPC.
- 2. This course was offered for the first time of 9 October 1950 and has not been rescheduled because of a lack of students.
- 3. The duration of the course is one week and the OPC quota is from seven to eight students per course.
